## WELCOME TO M F FARM

Again we are providing facilities for the Central Ontario Shorthorn Sale. We are pleased to provide these facilities and have the pleasure of having a number of purchasers visit our farm. At the same time, we would like to welcome the consignors of cattle to this "herd-improving" sale.

The quality of cattle sold last year indicates the desire of this organization to offer really good breeding stock with popular bloodlines being represented. I have had the privilege of seeing some of the cattle and they represent an excellent group. I am sure that this year's buyers will be as happy with their purchases as those people who purchased last year.

We hope that you will plan on being here by show time so that you will be able to see the cattle on parade prior to sale time.

It's a pleasure for us, here at Massey-Ferguson, to assist in any way possible.

*W. A. Sutherland,  
Farm Manager.*

### - F O R E W O R D -

The Central Ontario Shorthorn Club is pleased to present this consignment of good breeding stock. This sale is being held under the Pure Bred Beef Cattle Sales Assistance Policy and all cattle will be inspected by a representative of the Live Stock Commissioner. They are very sound and correct cattle and will be a valuable addition to your herd at this time of beef expansion in Canada.

These cattle represent the top herds and the best bloodlines in the Province of Ontario. We are proud to offer them to you and are confident that they will prove most profitable to you whether you own a purebred or a commercial beef herd.

President  
Kenneth E. Deacon,  
Unionville, Ontario.

Secretary-Treasurer  
Mrs. Gaye Pimmett,  
Milliken, Ontario.
